

INTERNATIONAL SUMMER PROGRAM

INFORMATION SESSION DECEMBER 10, 2020

Study this summer virtually at the SFU Beedie School of Business – Canada’s Engaged University! SFU Beedie is pleased to provide international students an online offering of the 2021 SFU Beedie International Summer Program, for those who want an international experience while studying at home.

Students will take two non-credit courses online, gaining insight into critical elements of Canadian business environments. Weekly virtual corporate visits provide industry connections and an inside look at popular businesses based in Vancouver. There are many opportunities for students to experience Canadian and Vancouver culture through various events planned throughout the program.
